PROFESSIONAL SUMMARY

Computer Science and Engineering graduate (2026) with 6 months of full-stack development internship experience and hands-on experience building responsive web applications using React.js, JavaScript, Node.js, Express.js, and Java/Spring Boot. Experienced in REST API development and integration, frontend-backend communication, CRUD operations, database connectivity, authentication, authorization, and debugging. Familiar with MongoDB, MySQL, Git/GitHub, Postman, input validation, and reusable UI components. Interested in developing maintainable full-stack applications and contributing to real-world software projects in a collaborative development environment.

TECHNICAL SKILLS

Frontend Development: React.js, JavaScript ES6+, TypeScript, HTML5, CSS3, JSX, React Hooks, React Router, Redux Toolkit, Responsive Web Design, Reusable Components, Form Handling, Data Validation

Backend Development: Node.js, Express.js, Java, Spring Boot, REST API Development, API Integration, Server-Side Development, MVC Fundamentals, CRUD Operations, Request and Response Handling

Databases: MongoDB, Mongoose, MySQL, SQL Queries, Database Connectivity, Data Modelling Fundamentals, Data Validation

Authentication and Authorization: JWT Authentication, Role-Based Access Control (RBAC), Protected Routes, User Management, Input Validation

Tools and Testing: Git, GitHub, Postman, VS Code, npm, Maven (Basics), REST API Testing, Debugging, Troubleshooting, Error Handling

Core Concepts: Object-Oriented Programming (OOP), Data Structures and Algorithms, SDLC Fundamentals, Frontend-Backend Communication, Problem-Solving, Clean and Maintainable Code

PROFESSIONAL EXPERIENCE

Scalefull Technologies – Pune, India **Feb 2026 – Aug 2026**

Full Stack Developer Intern

- Developed and maintained full-stack application features using React.js, JavaScript, Java/Spring Boot, and MERN stack technologies.
- Developed and integrated REST APIs to connect frontend components with backend services and databases.
- Implemented CRUD operations, data handling, and application workflows across frontend and backend layers.
- Worked with MongoDB and MySQL database operations; debugged frontend, backend, and API integration issues.
- Worked with authentication and authorization features and tested API endpoints using Postman.
- Used Git/GitHub for version control and source-code management while maintaining readable application code.

PROJECTS

Learning Management System *React.js, Node.js, Express.js, MongoDB*

- Developed Admin, Instructor, and Student workflows with course management and responsive user interfaces.
- Implemented JWT authentication, role-based authorization, protected routes, and user management.
- Integrated frontend components with backend REST APIs and MongoDB to support CRUD operations and data handling.

Multi-Vendor E-Commerce Platform *React.js, Node.js, Express.js, MongoDB*

- Developed product management, search, filtering, cart, and order-related application features.
- Integrated REST APIs with database operations and authentication to support full-stack application workflows.
- Worked on frontend-backend integration, application debugging, and data handling.

Smart e-Waste Collection and Management System *Java, Spring Boot, React.js, MongoDB*

- Developed a web application to support e-waste collection and management workflows.
- Integrated Spring Boot REST APIs with React.js components and database operations.
- Implemented authentication, protected routes, role-based access control, and CRUD functionality.

EDUCATION

Nanasaheb Mahadik College of Engineering, Peth **Aug 2022 – Jun 2026**

B.Tech in Computer Science & Engineering **CGPA: 8.50**

Arts, Commerce & Science Junior College, Gotkhindi **Jun 2020 – Jun 2022**

HSC **63.00%**

Shivaji High School, Bavachi **Jun 2019 – Jun 2020**

SSC **91.60%**

CERTIFICATIONS AND TRAINING

- **AICTE EduSkills:** MERN Full Stack Development Virtual Internship, Apr 2026 – Jun 2026.
- **Infosys Springboard:** Full Stack Java Development Virtual Internship 6.0, Nov 2025 – Jan 2026.

ACHIEVEMENTS

- Ranked among the **Top 3 students in every semester**; secured **1st Rank in the 7th Semester**.

- Secured **3rd Rank** in Lakshyvedh 2K25 Paper Presentation, NMCOE, Apr 2025.
